**\$39.95**  
(flat rate)

**+**

**\$2.55**  
(per gal.)

**Pay only for what you use!**

**Example of per gallon billing:**

if a standard 55 gal. reservoir is only 50% empty, solution refill charge would equate to **\$70.13**. This figure is reached by taking 50% of 55 (27.5) and multiplying by the per gallon price of **\$2.55**.

**Extended Warranty Plan**

Optional to our Full Service customers is our extended warranty plan. In the rare occurrence that there should be a defect in material or workmanship of our systems, 100% of the cost will be covered. Extended warranty plan will be invoiced based on your service interval.

**\$32.95/month**

\* Prices based on 55 gallon reservoir. Additional servicing beyond refill and inspection is based on a \$79.95/hr rate plus required parts.

\*\* Full service plans subject to initial system inspection by Bug DeFence technician. Plans subject to credit approval.
